Handicapped Accessibility at Burlington High School

These guidelines will provide the best access to various parts of the building. Although there are ramps throughout the building, there are stairs dividing the gym level from the auditorium level. Please check the schedule for your dancer's stage location. If your dancer is dancing in either of the gyms, please enter at the Gym entrance. If your dancer is dancing in the auditorium, please enter the building at the Auditorium entrance. These entrances will be clearly marked and there is parking at both entrances.

There will be food available in cafeteria all day! Check out the breakfast items, homemade soup and sandwiches!
